

Scrabble - Drinking Version

Game Name: Scrabble - Drinking Version
Needed Tools: Scrabble
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

This game is played with the board game Scrabble. Here are the rules:

Same regular rules apply. The person with the most letters goes first. For each word that a player forms they give out the point value of the word in drinks. This amount can be split up among the other players.

At the end of the game those people who have letters remaining take the total point values and drink them up.
