

## Boat Race

Game Name: Boat Race  
Needed Tools: None Really  
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

Have everybody divide up into two even teams. Each team lines up opposite each other, preferably down a long table, or just sitting on the ground. Fill each glass full of beer and place in on the table in front of each player. The players can not touch their glass before they are allowed. The first players on each team start the game by drinking all of their beer and setting the glass back on the table. When the glass touches the table the second person drinks his beer and setshis glass on the table. This continues until the last beer is gone. The first team to place their last empty glass on the table wins.!
