

Beer Roulette

Game Name: Beer Roulette
Needed Tools: Case or 12 Pack of Beer
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

Take one can. Shake it. Now I don't mean just shake it, I mean SHAKE the sucker! Till it's about to blow up. Then put it in the box with the others and mix them around (one person not looking) and then switch them around again (the other person not looking) Basically, nobody knows where it is.

Now, one person picks a can, holds it to his/her head at an angle, and opens it. If it's not the one, s/he has to drink it. If it is the one, s/he gets a wet head and you can start all over or whatever. Then, if it wasn't the one, the next player takes one and tries. etc.
