

## Parchesi- Drinking Version

Game Name: Parchesi - Drinking Version  
Needed Tools: Parchesi  
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

An adaption of the game Parchesi. If you already know how to play, it's just as easy. If you don't know, learn.

Play the game as usual, if you get sent back, or cannot move, take a drink. It's that easy. Good with two players, each player taking two sets of pieces on opposite corners.
