Place a deck of cards face down around a large cup or pitcher in the center of the table. The players go around the table and draw a card. Here is the breakdown of the cards.

Ace - Social (everyone drinks)

2-5 - Take that many drinks (you drink)

6-9 - Give that many drinks (give the hot girl the drink or whoever)

10 - To the left one drink

Jack - Categories - the person who picks the card thinks of a topic like a porn movie. Then that person names a porn movie. Everybody follows suit and the person who messes up drinks 3 drinks.

Queen - Question - Look at a specific player and ask a question. That player must look at another player and ask a question. You keep going until someone laughs, pauses, or answers the question. Tip: Ask something outrageous to throw the next player and make them drink.

King - Kings as the game is named are special, the 1st, 2nd, & 3rd king picked pours their beer or drink in the pitcher & makes a rule, when the 4th king is picked that person has to drink whatever is in the pitcher BEFORE you begin the next game.
