

Speed Quaters

Game Name: Speed Quaters
Needed Tools: Shot Glass & Large Beer
Learned: State College, PA (Penn State University)
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

Everyone sits around a table with a large glass of beer in the center and two shot glasses at opposite ends. Each Player tries to bounce the quarter in the shot glass just like the Quarters game. The player takes as many shots as needed to make it. When the quarter is in the glass you pass to the left.

Eventually both shot glasses will come to someone. That person must drink the middle glass and fill for the next game. Easy and adds more momentum than quarters. This game gets people who suck at quarters really hammered.
