

Bonzi - Drinking Game

Put the cards in a circle so that the middle is open. Draw one card at time going clockwise. After you draw the card put it in the middle of the circle and then it is the next persons turn.

Tools Needed for game:

- A deck of cards
- 2- 10 people that want to get drunk
- Good amount of Beer depending on how many people are playing

Drunk Level : Pretty Drunk almost hammered

Ace - Avalache (the person who drew the card starts drinking then the person next to them starts so on and so on when the 1st person stops the next stops and so on)

2 - Rule (Make a rule and when someone breaks the rule they drink)
(A good one is can't say the 3 D's drink drank and drunk)

3-Social (Everybody drinks)

4-Rhythm (Pick a word and everyone has to rhythm with it whoever cant drinks)

5-Category (Pick a category ex. Cigarettes you say Newport, and next person says Marborlo and whoever cant think of one drinks)

6- I never or sentence (Do an I never say something you think other people have done that you haven't and who has, has to drink)Sentence you start with a word then the next person adds one so on and so on ex. peter (next person) peter did (next person) peter did die whoever messes it up first drinks)

7-President (you can make anyone drink whenever you want however many you want your the president of this game for now until someone else gets another 7 then you have become impeached)

8-To the left (Left of you drinks)

9-To the Right (Right of you drinks)

10-Bonzi (who ever is the last to say it drinks)

J-Jackoff (who ever is the last to say it drinks)

Q-Salute the Queen (whoever is the last to say it drinks)

K-F*ck the King (whoever is the last to say it drinks)
