

Thumb Mater

Draw card. The highset card goes first and from then on clock wise. Shuffel card and spread card all over table or in a big circle. at random on your turn pick one card.

Ace - 3 Black : you give out to that many drinks whatever number is on the card (ace=1)

Ace-3 Red: you give out that many drinks whatever nuber is on the card (ace=1)

4 is for whore: All the girls take a drink.

5 high Five: everyone put their hand in the middle last person to do so drinks. OR you can make a little man rule: this mean before you drink you have to take a little invisable mann off youglass and then after your done put him bak on Failer to do so on either cas you have to drink again

6 is for Dicks: all guys drink

7 ahead: the person that goes next drinks

8 stright: the person right in front of you drinks

9 behind: the person that went before you drinks.

10 Thumb Master: this person is the thumb master till some one else draw another ten. He or she secretly put there thumb on the table and the last person to put their thumb on the table has to drin.

Jacks Catagories: pick a catagorie like shoes snd each person must name a brand of shoes the person that can not drinks.

Quenns Questions: every person has to talk only in question if any one says something that is not a question they drink.

King Ryme: some one will start off with one word and everyone will ryme that word untill you can no longer do so the one that messes up drnks.

you play till there are no more cards left
