

Three Man

Game Name: Three Man
Needed Tools: 1 Pair of Dice
Learned: State College, PA (Penn State University)

Everyone starts off by rolling one die till someone rolls a three. That person then becomes the three man which is quite similar to the asshole. The game then proceeds around the circle with people taking turns rolling the dice. The dice are only passed when someone rolls something that does not require drinking. Here is what each roll means:

3: Whoever is the three man must drink. If the three man rolls this then he may pass the title to a person of his choosing.

7: Person to the right of "roller" drinks

9: Social... Everyone has a drink

10: Person to the right of "roller" drinks

11: Person to the left of "roller" drinks

Other dice combinations:

- 4 & 1: Whoever rolls this gets to create a rule. There are many rules and you can have a lot of fun with it.

- Doubles: When someone rolls double they can give away drinks totaling the dice to any player or combination of players. One Exception: If you roll double sixes you have to drink 12!!

At any time during the game the three man can be told to drink.
