

Water Fall

Game Name: Water Fall
Needed Tools: Deck of Cards
Learned: Unknown
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

Ace - Waterfalls (The person who draws this card starts drinking; the person to the left then starts drinking; then the third and so on. Once the first person stops drinking, the second person can keep drinking or stop; the same with the third and so on)

2 - Take 2 (Person who draws this card must take 2 drinks)

3 - Take 3 (Person who draws this card may give out 3 drinks to whoever they want)

4 - Fours is for whores (All girls drink)

5 - To the right (Person to the right drinks)

6 - Six is for dicks (All guys drink)

7 - I Never (The person who draws this card will say something that they have never done; if anyone has done it, they must drink)

8 - Sentences (The person who draws this card says a word, then the person to the right says that word and adds another word, the next person repeats that and adds another word. This goes around the table forming a sentence until someone messes up - this person has to drink)

9 - Nines is rhyme (The person who draws this card will say a word, then the next person to the right has to say a word that rhymes with it. This continues around the table until someone messes up - this person has to drink)

10 - Thumb rule (The person who draws this card will put their thumb on the table. Everyone else must put their thumb on the table as well. Last person to put their thumb on the table drinks)

Jack - Social (Everyone drinks)

Queen - Beer Bitch (This person must refill everyone's drinks)

King - Rules (The person who draws this card can make up any rule they want. Anyone who violates this rule must drink.
Ex: can't say drink, drunk, or drank)
