

Sorry - Drinking Version

Game Name: Sorry - Drinking Version
Needed Tools: Board Game Sorry
Learned: Don't Remember
Drunk Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced
Playing the board game "Sorry", each person has a drink of their choice. Everytime a person draws a 1 or 2 to get out of their base, they drink 2. Then, if you draw an 11, to switch with an opponent, that person must drink 2. If someone is "Sorry-ed", then that person drinks 3. When a person gets to their home, everyone must drink 3.

Play Sorry as normal but...

When you send someone home with a sorry they must consume 5 drinks...

When you get a peice home you must give 5 drinks.

When you pick a 4 all players must consume 4.

When you get a 1 or 2 and get out of home you can give 1 or 2 drinks respectively.

When a player wins the remaining Losers must finsih their drink...
