

Truth or Drink

Game Name: Truth or Drink
Needed Tools: The Truth or an Ability to Drink A LOT
Learned: Can't Remember
Level: Getting Started, Buzzed, Drunk, Hammered, Shit Faced

It's like playing "Truth or Dare" when you were 10, well for some of you maybe 20. Regardless instead of accepting a dare you will accept a drink or two. As the rounds go through the group the drinks increase. The first time around the group if you choose to drink you consume 1 drink, the second round if you choose to drink you drink 2, etc. by the 10th round the drinking option isn't as appealing. Have fun.
